

Bulkley Valley Child Development Centre

Working together with families, collaborating with communities, strengthening the region

Requires a Speech and Language Pathologist Hazelton and Area/Smithers, B.C.

**This is a permanent (35 hours/week) position.
Relocation Funding Available**

Job Summary:

Our Speech and Language Pathologist functions as a member of an interdisciplinary team providing speech language pathology services to the pediatric caseload of children with special needs or at risk for delays in development. The Therapist's role with children and families is one of facilitation and prevention using his/her specialized skills and knowledge to assist the child in developing to their maximum potential. The position works as a member of a family-centered, interdisciplinary team providing therapy and support services for children and their families. The duties of this position follow the guidelines of the College of Speech and Hearing Health Professionals of BC [CSHHPBC]. This position is located at our Hazelton community base office and our Regional Centre in Smithers to support the communities of the Upper Skeena, B.C.

Our Team:

Our new Speech and Language Pathologist will join our current team of two Speech and Language Pathologists, within our organization's Pediatric Therapy Network, for peer support and individual/team mentorship. Also within our Pediatric Therapy Network, you will have access to professional development opportunities, resource development through sharing of specialized equipment libraries and work with specialized therapeutic teams to serve across many communities of our service delivery area (communities of the Nechako Lakes, Bulkley Valley, Upper Skeena). Our Team is energized, enthusiastic and dedicated to ensure children, youth and their families receive the highest quality of services from the Bulkley Valley Child Development Centre!

Qualifications:

- Master's degree or equivalent in Speech-Language Pathology
- Current active registration with the College of Speech & Hearing Health Professional of BC.
- Two or more years Pediatric experience preferred
- Awareness in Aboriginal culture and history.
- Effective communication and interpersonal skills
- Ability to work in a team-based environment
- Valid driver's license and own vehicle is required
- Criminal Record Check
